

2021 Medicare

Annual Enrollment Period (AEP)

Bakersfield Family Medical Center / Heritage Physician Network takes great pride in offering a wide array of services to ensure that you, as a resident of Kern County, are provided with the best possible health care available.

You have many options to consider when selecting an insurance plan and medical group to facilitate your health care.

We realize that this can be a challenging process due to the complexities of the health care system and volume of options available to you. **BFMC/HPN** is pleased to be able to assist you in this process.
